### About SAIARD

*South Asian Institute for Advanced Research and Development (SAIARD), a premier research institution, certified by the MSME (Govt. of India), has been formed in Kolkata under the Trustee Registration Act, (Reg. No- 163000060, 2019) Govt. of India with a motto to spread the arena of research throughout the world particularly focusing on the major issues of the South Asian region.*

*SAIARD, a Research and Knowledge hub, has started its journey with a broad vision and objectives to promote research, advocacy, education and innovative ideas through publication, various outreach programmes, collaborations and partnerships for sustainable and cognitive development of this region. The basic purpose of this institution is to focus on the all-round academic development especially for our students to find out a platform for their future endeavours. For that purpose, SAIARD adopts a community based approach through various training, education, awareness and entrepreneurship programmes, enriching with the modern phase of technological innovations. SAIARD emphasizes more on policy based research interventions on multi-disciplinary issues related to environment and socio-economic aspects and sharing far-seeing ideas for the betterment of the society and humanity.*
