Re: Invitation Letter from SAIARD

Dear Mr. Biswajit Roy Chowdhury,

I am pleased to accept your invitation as a Keynote speaker for your event: “World Environment Summit 2020” set to take place on November 7 and 8, 2020 at the Scope Complex Auditorium, Lodhi Road, New Delhi, India.

As President of the U.S. Federation of UNESCO Clubs, Centers and Associations and Executive Director of the U.S. based UNESCO Center for Peace, I will like to seize this opportunity to express to you, to the venerable Dr. Dipankar Roy who has been instrumental in your center’s early successes, and to the SAIARD leadership team, my total support for your work to help save our Environment. I will stand shoulder to shoulder with you as we develop the set of environmental programs to promote education, training and empowerment of youth in your country and worldwide. This is perfectly in line with our Federation and Center’s mission and vision.

I look forward to meeting you later this year in November during the World Environment Summit 2020. In the meantime, please feel free to reach out to Ms. Nidia Coy with any question or concern you may have. She will be coordinating our participation in your event.
