ABOUT THE AUTHORS

Mr. Hitesh Vaidya is currently the Director of the National Institute of Urban Affairs. He has over 20 years of experience in the field of urban management, urban governance and capacity building. He has been involved in providing technical assistance and capacity building support to several urban local bodies and instituting significant urban reforms at local level. He brings on board strong demonstrative experience of improving institutional capacities including developing strategies to support in delivering the program results. He has been associated in areas of urban development, urban governance and urban Infrastructure management with UN, World Bank, U.S. Agency for International Development (USAID) assignments. Poverty Alleviation has been an integral component in all his assignments. Prior to joining NIUA, he was the Country Representative of UN-Habitat in India. He was intensely involved in supporting an eco-system to design and roll-out urban programs including localizing Sustainable Development Goals. His strength lies in developing institutional arrangements and project implementation strategies through facilitating effective liaison and coordination with various stakeholders. Mr. Vaidya holds a Master's degree in Business Development and Post-Graduate Diploma in Urban Development & Planning and specialization in Urban Management from Institute of Housing and Urban Development Studies (IHS), Rotterdam, Netherlands.

Prof. Mahalaya Chatterjee, is a faculty member of Department of Economics, Calcutta University. She was also the Director of Centre for Urban Economic Studies, a research centre specializing on urban studies in the same university till 2017. She has been engaged in research and teaching of economics for the last three decades. She has been coordinating a course on urban management and planning for the last five years. She has published numerous books and articles in national and international journals and edited volumes. She has also participated in seminars, conferences and workshops in India and abroad. She has been acting as reviewer in a number of journals and in the board of editors of few well-known journals like Urban India. Apart from teaching and research, she is also carrying on different administrative duties like heading the department (2012-14) and chairing the Undergraduate Board of Studies in Economics in Calcutta University till 2017. She is also an academic member of Mahanirban Calcutta Research Group. She is a governing body member of South Asian Institute for Advanced Research and Development (SAIARD). She is associated as a project specialist (urban) in Indian Women Entrepreneurship Programme under the 21st Century Knowledge Initiative – a collaborative research project of Calcutta University with Claflin University, South Carolina, USA.

Dr Tathagata Chatterji, is Professor of Urban Management and Governance, Xavier University Bhubaneswar, India. His research interests are urban economic development and political economy of urbanisation. He had published two books – 'Local Mediation of Global Forces in Transformation of the Urban Fringe' and 'Citadels of Glass – India's New Suburban Landscape'; He received the Gerd Albers Award in 2016 from the International Society of City and Regional Planners (ISOCARP), for his research on comparative modes of urban governance in India. He has a PhD in Urban Planning and Governance, from the University of Queensland Australia.

Dr Snehamanju Basu has completed her M.A. in Geography in the year 1983 and obtained her Doctoral degree in the year 1994 both from the Calcutta University. She has a teaching career spanning over 23 years both at the UG and PG level out of which 10 years as an associate professor in Lady Brabourne College, Kolkata. She has also been a guest faculty at the Department of Geography, University of Calcutta for five years. Apart from urban studies her research interests include Cartography, Population Studies and Development Studies. She has published more than 40 research papers in various National International journals and completed several research projects. Dr Basu has currently working as the Registrar of Jadavpur University. In addition to the teaching and research Dr Basu holds several advisory and administrator positions in several premier institutions across the West Bengal.
